---

Ginger has been revered in Asia for over 5000 years for its powerful health enhancing properties. Some of the well known benefits are:

Boosts energy

Aids digestion

Reduces "bad" cholesterol

Immune system enhancer

Helps alleviate cold symptoms

The legendary Ginger Root is truly a great all around revitalizing health tonic. There's an ample dose of Hawaiian ginger and a dash of cayenne (a great blood purifier) in every bottle.

This delicious juice, with it's unique ginger "zing" may well be the most refreshing drink you've ever had. Drink ice cold on a warm, gorgeous Hawaiian day and you'll be ready for anything!

**Taste the Difference. Enjoy the benefits. ALOHA.**
